

# Winter Adaptation Matching Game

Starting with the words in the left column, draw a line from a word to the picture that represents that activity. Then, draw a line from that picture to an animal that does that in winter. You can use the animals more than once because some do two things at once -- like insulate and generate!

Hibernate

Hummingbird

Migrate

Deer

Congregate

Snowshoe  
Hare

Propagate

Praying  
Mantis

Generate

Bear

Insulate

Garter  
Snakes
